May the road

rise up to meet you,

May the wind be always

at your back,

May the sun shine warm

upon your face,

And the rain fall soft

upon your fields,

And until we meet again,

May God hold you

in the palm of his hand.

Senior Class Officers

The Graduating Class of 1978

This year involved a lot of hard work in activities, sport events and fund raisers. Innumerable athletic and academic accomplishments were achieved each month, making a full and proud year for the Senior Eagles. Between the running and going, many Seniors spent time putting futures together and plans to work.

During the course of the year, Senior Class raised money by holding dinners, car washes, bake sales and selling T-shirts and socks. A special thanks for all this, goes to our adviser Mr. Rogers and Senior Committee, for their time and help. Also, our deep appreciation to chairpersons Kim Alberts, Lin Hupp, Mark Minaker, Niki Kratzer, Cindy Moore, Lorie White, and Shawn Burgess for the Spaghetti Feed, Dime-a-Dip Dinner, Baccalaureate, Senior Ball and Senior Party.

Saying good-bye to Lindbergh isn't so easy to do, knowing we will never be here all together, again. But in remembering the good times and the sad times, we will remember the names and the faces of the ones that grew up and graduated in the class of 1978. Together, we made 1978 a very special year, a year to remember.

Sincerely,
Vicki Savage

Left to right: Class Secretary/Treasurer Ray Wilson, President Vicki Savage, and Vice-President Kim Alberts.

Senior Committee

L to R: Shawn Burgess, Wendy Kovacevich, Lori Logue, Dave Franceschina, Mr. Rogers, Vicki Savage, Ray Wilson, Kim Alberts, Lisa Habryle, Teresa Kawachi and Debbie Dalsanto.

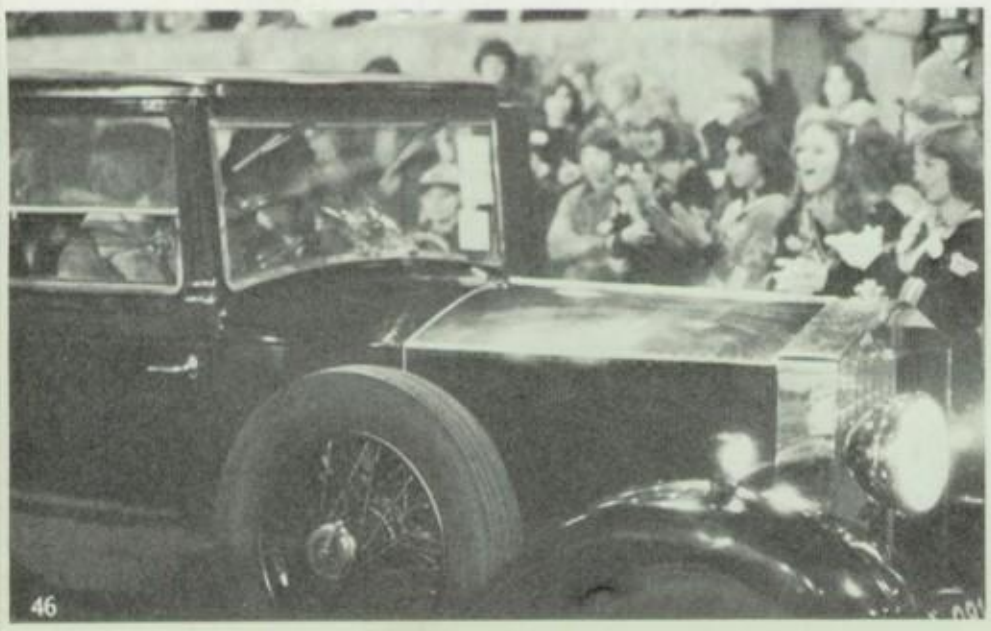
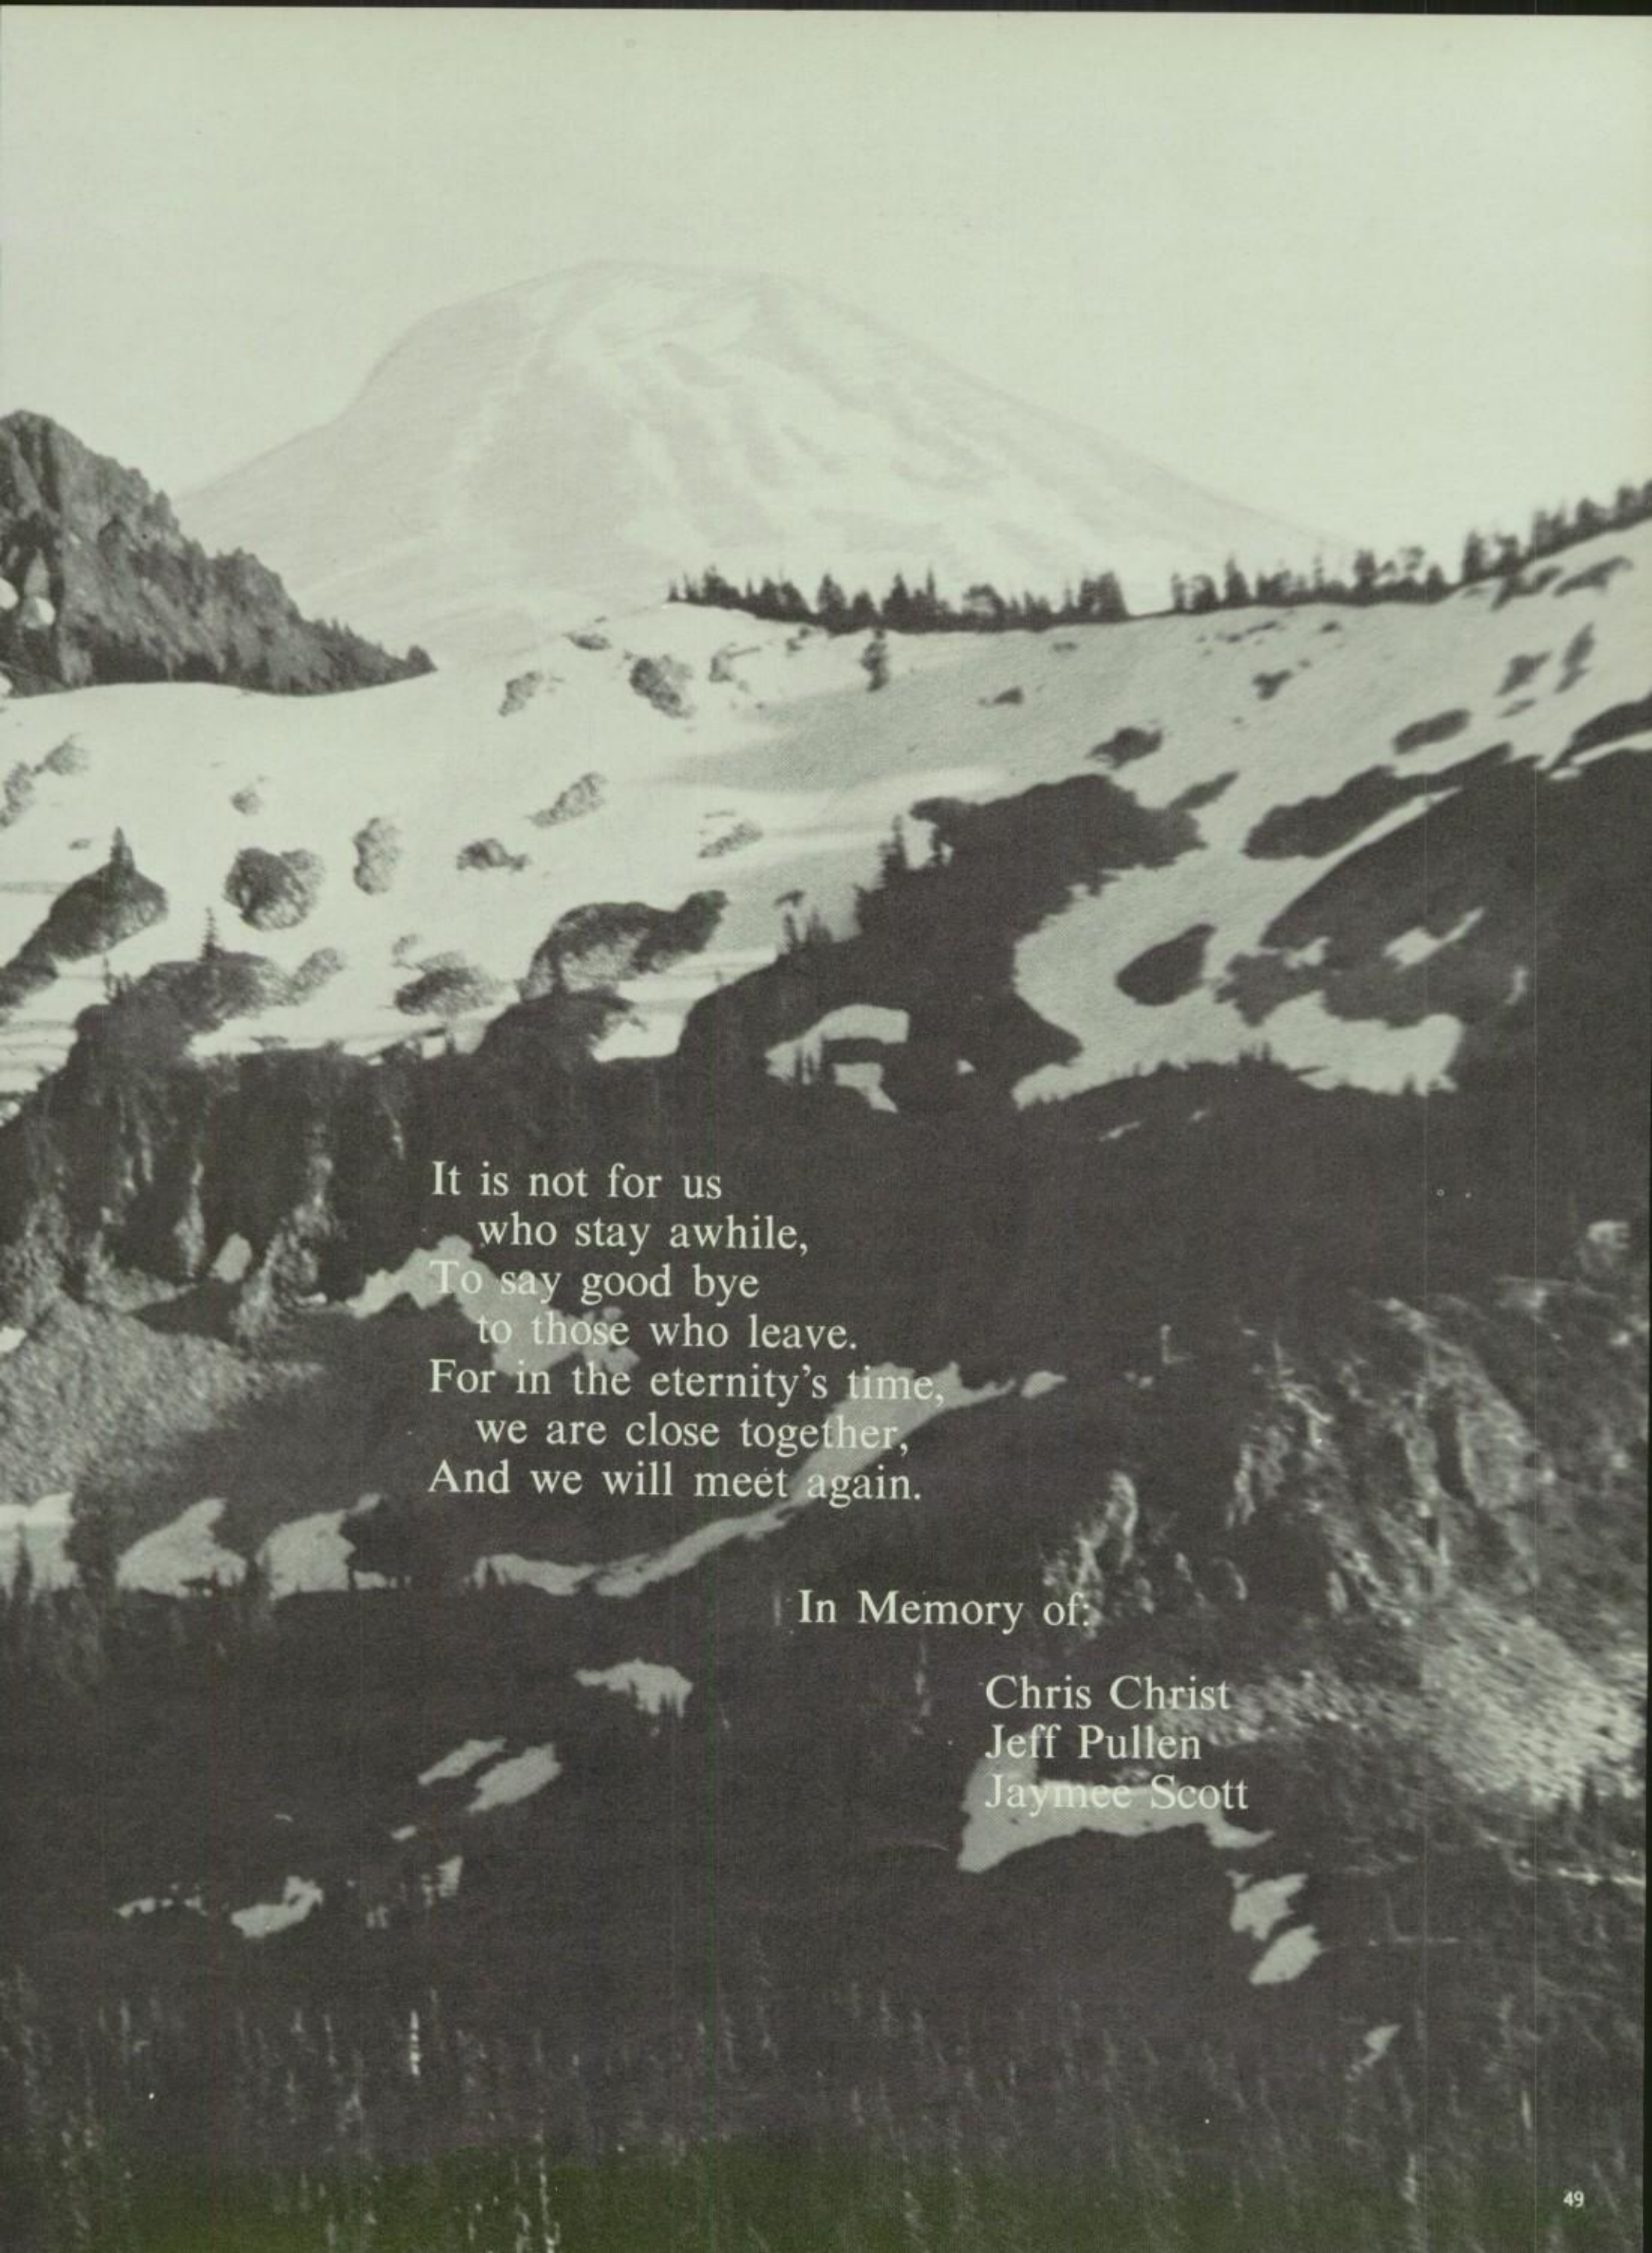
What a thing



friendship is



It is not for us
who stay awhile,
To say good bye
to those who leave.
For in the eternity's time,
we are close together,
And we will meet again.

"I am but one person. Why should I get involved? What good can I do?"

How many times have you heard these words? They are often the words of people who face challenges. To the individual who stands alone, a challenge may sometimes seem to be a dream. To the individual who stands with a group, this challenge may become a reality; a goal. And yet we must remember that a group is nothing more than individuals who have united for a common cause. Success can be obtained by the individual or the group.

I believe that the key to our success this past year has been those groups and individuals who set out to overcome the challenges; to turn the challenges into accomplishments. To these special people, the members of the Executive Board and the Senate, and other members of the ASB, I'd like to extend my thanks.

Best Wishes to All,

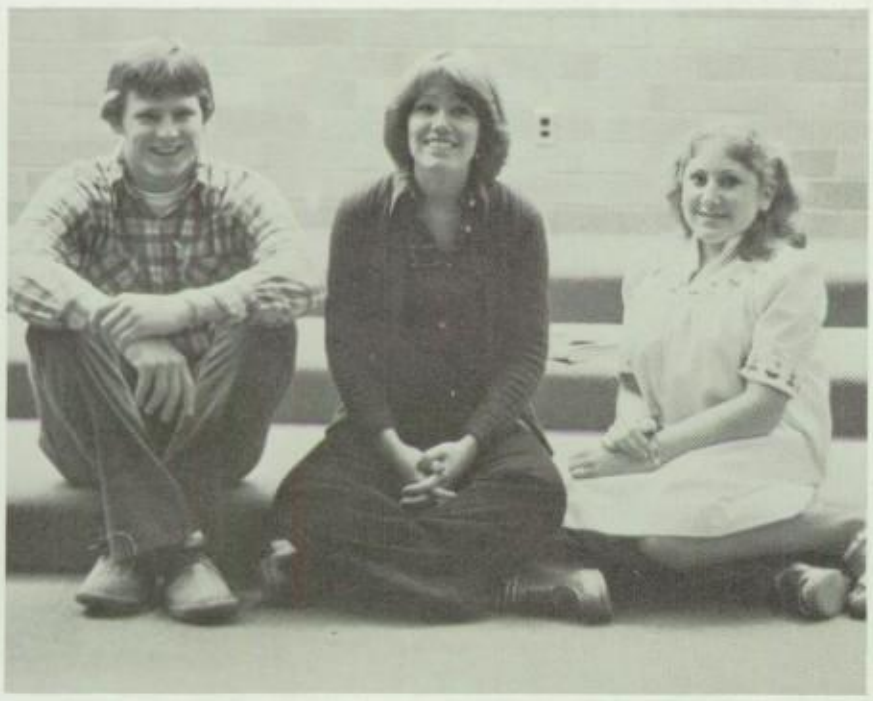
Committees Make Things Happen

Chairpersons: Rod Pyle; Historian, Wendy Kovacevich, Debbie Carlson; Dance, Cindy Bjornstad: Student Faculty Public Relations.

Throughout the year committees have proven to be an important part of Lindbergh's student government. Many of the events we took for granted were put together through hard work by our committees and committee chairpersons. Everyone was encouraged to join one or all committees, which were a lot of fun and quite rewarding.



Chairpersons: Ed Simons; Activity Council, Tawny Featherston; Leadership Camp, Kelli Gerneglia; Activities Committee.

Chairpersons: Lori Logue, Janette Hecker, Zina Medley; Homecoming.

Committee Members: Front Row; Edie Herman, Rod Pyle, Jane Houghton, Randy Wilson, Phyllis Leathley, Myra Leathley, Liz Kuhn, Caryn Munkers. Back Row; Cathy Dillon, Stacie Einhorn, Barbara Kinch, Tammy Johnson.

DECA Ad Astra

DECA is a program designed to aid students in areas of occupational and social development. Lindbergh's two classes, under the direction of Mr. Mueller were called Ad Astra and Express and were involved in many activities throughout the year. Much attention was focused on fund raising and in October the classes traveled to three Renton elementary schools putting on haunted houses for the children. At LHS they set up pictures to be taken with Santa Claus and sold coloring books. Aside from these projects, students worked in the school store where they made a large percentage of their money. A fashion show was one of several other ideas to be worked on in the spring. Some of the money raised through the store and other projects was used in preparation for the city, state, and national level competitions. Mr. Mueller felt that a number of students had possibilities of entering the national competitions in Washington D.C. as representatives of Lindbergh. Through hard work and determination, this year's Deca classes acquired many skills necessary in the business world.

Girls' Club 77-78

Girls' Club has been actively involved in many school and community projects again this year. The Talent Show, the Mother-Daughter Tea, the Tolos, and the Daddy-Daughter Dinner Dance were just a few of the events sponsored by the club. Not only were the girls' active at Lindbergh, but they were also involved in community affairs. They took the Hamilton Children to plays and to the zoo. In December they went caroling at hospitals and rest homes. The officers this year were Patty Woolman, President, Theresa Dillon, Vice President, Debbie Hatlen, Secretary, Janet Hutchens, Treasurer, and Merrilee Birmingham, advisor. To raise money for their club, the girl's sold Lindbergh hats, scarves, and mugs, held bake sales, and painted the faces of Renton Park kids at Halloween. Throughout the year, Girls' Club 77-78 contributed much to the school spirit at Lindbergh and had fun while doing it.

This year's Pep Club has been very successful in promoting school spirit! They supported our school at pep assemblies, Football, Basketball, and Baseball games. Aside from this they also gave parties for the teams in appreciation for doing a great job during the season, helped usher at plays and performances, decorated football players lockers and had halloween and pizza parties.

MATMAIDS

This year's enthusiastic Matmaids were lead by President Cindy Hart, Vice President Kate Kovacevich, and Secretary-Treasurer Tammy Gaidjiergis. Matmaids thought of many fund raising ideas such as button selling, carwashes, and a sponsored dance. Each Matmaid chose a different wrestler before every match and the money raised was used for baked goods for each special wrestler selected. Matmaids main purpose was to encourage each wrestler and help increase the spirit and morale of the L.H.S. Wrestling Team.

Lindbergh International Club's 1977-78 year was very successful. The club sponsored four foreign exchange students from three different countries. Klaus Grafenstein and Daniel Lohmann came from Germany, Gonzalo Alarcon from Spain, and Roberto Porter from Mexico. About this year in the United States, Gonzalo commented: "I really enjoyed living in Washington, even though it rained all the time. People around here are so friendly and I received a good education at Lindbergh." As a fund raiser, International Club also sponsored the December Candy Cane Sale. The traditional International Fair was held in May, bringing in other local exchange students, dance groups, and plenty of food from other countries. The club officers this year were Vi Webster, President, Kathy Boltz, Secretary, Hampton Merriman, Treasurer, and MaryLou Johnson, Advisor. If enough funds are available next year, the club hopes to send Lindbergh students to Europe. International Club, spanning the gap between distant countries, made life at Lindbergh more exciting this year.

The Lindbergh bands performed excellently for 1977-1978. They all played at many functions. Other than the annual affairs, such as 'pep' music for our home games and seasonal concerts, and the spring musicial play, they also played at the Puyallup Fair, Corvalis Oregon and the Kingdome. With the bands enthusiasm and their "positive mental attitudes" they seem to improve year after year!

Mrs. Brummett

The Lindbergh Choirs had a great year. As well as presenting the Fall, Spring, and Winter concerts, in which everyone participated, individual groups performed at various schools and activities. Swing Choir started off the year with a concert at the Puyallap Fair. This was followed by their performance, working together with Drama, in one of Lindberghs favorites, "Bits of Broadway". A Cappella continued the year with their annual music tour in which Adv. Girls Glee also joined. The year was brought to a close by the musical production, "Funny Girl," in which both Drama and Choir performed.

DRAMA

1977-1978

This has been LHS Drama's most ambitious year. A total of eight productions were presented by Advanced Drama students. These ranged from the November performance of *Seven Keys to Baldpate*, to the recently completed musical of *Funny Girl*. In between, the LHS auditorium was lit up by performances of *The Odd Couple*, *The Comedy of Errors*, *The Glass Menagerie* and a highly successful musical-comedy revue called *Bits of Broadway*.

In addition 2nd-semester Drama students presented 2 one act plays to Language Arts classes.

Drama at Lindbergh has become one of the school's most popular activities. Over 100 students each semester were involved in Drama productions and attendance at plays has become a popular activity for the entire community.

Special recognition goes to Bob Nicholson and the behind the scene crew helping to make Drama 1977-1978 a truly outstanding year.

Cheerleaders 1977-78

The 1977-78 cheerleading squad consisted of two seniors, three juniors, two sophomores and their advisor Mrs. Germeau. In addition to the squad, Steve Beazley served as Mr. Eagle. Last July, the squad attended a cheerleading conference at C.W.S.U. in Ellensburg, with seventy-two squads around the state. Upon evaluation of their cheers and enthusiasm, they returned with the pep penant and superior awards. This year the cheerleaders have brought much merit for their time and effort, to keep Lindbergh's school spirit soaring high.

The Eagles flew through N.P.S.L. competition with a nearly unblemished 8-1 record. Keying the Eagles success was their punishing defense led by Headhunter Steve Maxwell. The defensive unit ranked first in the N.P.S.L. while recording five shutouts. With the defense devouring opponents, and the offense making timely contributions, the Eagles swept to a #5 ranking in the state by rolling over Mt. Rainier, Hazen, Auburn, and Evergreen. Because of numerous turnovers, the Eagles fell to Kentridge in their fifth game. Against Kennedy, the Eagles showed they were really a class outfit by bouncing back to shut out Kennedy's league leading offense 23-0. Next, was the Homecoming game against Renton. The Eagles annihilated the not-so- Big Red 29-0. Plagued by monsoon rains and a strong effort by Highline's defense, the Eagles slipped to their seventh victory. The finale against Kent-Meridian was no contest as the Eagles accumulated their highest point total of the season.

Eighteen Eagles were awarded post-season honors, with Russell Davis, defensive back, Rick Mallory, defensive end, and Doug Weston, offensive and defensive tackle landing first team berths. Dave Franceschina, Davis, and Mallory were named to the second offensive team, while Jeff Sayler, Kevin Huckins, and Steve Maxwell landed spots on the second defensive team. Kevin Jex was also named to the second team as a placekicker. Ten other Eagles were nominated to Honorable Mention team. The banquet was a big success, with Kevin Huckins, Dave Franceschina, Russell Davis, and Jimmy Friedrich being honored as team captains, and Steve Maxwell taking home the Headhunter and Inspirational awards.

This year's Varsity Squad, led by seniors Mike O'Brien, Curt McGuire, Lance Kneer, and Dan Allison, opened the '77 season in a tough NPSL Division. Selected for this years medalist tournament were seniors O'Brien and McGuire.

In the last match of the season, the Eagles were narrowly defeated by Hazen in an all-city meet. Coach Vern Guay is looking forward to next year's season and some good up-coming golfers.

Highest Finish Ever!

This years Cross-Country teams had a very good season. The varsity, JV, and the girls team all finished 5th place in the NPSL just one position away from qualifying for West Central. It was the best finish ever for an LHS team. In the NPSL finals the top place finishers for Lindbergh were Vicki Savage 9th place for the girls and Mark Avolio 12 place for the boys in races that involved 70 runners each. Vicki and Mark were also Captains for the team with Ginger Landrum and Mark McCulloch picking up most inspirational awards and Janet Griffith and Max Irvin getting most improved.

Girls Soccer Kicks Grass!

This was the first year of Girls Varsity Soccer and the girls kicked their way into a great season. Even though the team has one year of intramural experience, the new coach, Miss Fredericks said that "the team was improving every game". Assisting the coach this year was the team co-captain's father, Mr. Habryle. The squad only lost to the top powers by 1 or 2 points a game and had a variety of teams to play such as rivals Renton (3-1) and Hazen (1-2). Other teams included Bush, Auburn, and Holy Names. Nearing the close of league play Coach Fredericks said she hoped to end up with a winning season and expected an even stronger team next year. The team will only lose two girls to graduation; co-captain Lisa Habryle and co-captain Niki Kratzer.

In the words of Coach Germeau, "We did far better than expected and surprised ourselves with a 6 win, 3 loss record for this year." The team also succeeded in beating an arch rival, Renton. In an exciting and close meet we had our first victory ever against Renton with a final score of 86-85.

The State qualifiers this year were Theresa Ruckman in 7 individual events, Sandy Gurner in 6 individual events, a relay team of Kim Gurner, Cam Petranek, Julie England, and Dawn Anderson, and Divers, Diane Fitzgerald and Patty Hysong.

The Eagle volleyball team had a record breaking season this year. The girls earned a 4-5 win-loss record. Seven of the girls attended a volleyball conference in Portland, Oregon. This helped the team in turning around from last year's 0-11 record. With most of last year's line-up returning, there was more maturity on the court.

Three seniors will be missed next year. They are Shari Carnahan, Anita Deccio, and Annette Deccio. All three are setters. Next year the team is looking forward to juniors Myrna Jacobson, Kelley Koloen, Dianne Knapp, Debbie Lombardi, and Debbie Schutz returning, along with sophomores Natalie Darrow and Eva Toth.

The team lost close matches to the #2 and #6 teams in the state—Renton and Kentridge respectively. The team finished fifth in the league behind Kent-Meridian, Auburn, Kentridge, and Renton. The JV team had a slow start, but gained maturity and improvement as the season progressed.

This year's hoopsters had a very impressive record. For the first time in Lindbergh's history, the team had a winning season as they wrapped up league play with an astounding 15-5 record, landing in the league play-offs. The Eagles had big wins over Kennedy, Kentridge, Kent-Meridian, and Highline. Although tied for first in the Cascade Division, the Eagles lost a close one to Kennedy in the second game, 66 to 64. Still, they pulled out an impressive 2nd place in the division. This year's well-rounded squad was led by Seniors Mark Collier, Curt Christopherson, Kevin Huckins, Mark McCulloch, Seth Lott and Jon Lyon. Other major contributors to the team's winning efforts were underclassmen Rick Mallory, Curt Bjornstad, Randy Fukuda, John Popowski, and Jeff Fields. Post-season award winners were Kevin Huckins and Curt Christopherson sharing the Most Inspirational; Jeff Fields, Most Improved, and Mark Collier receiving the Captain's Award, All NPSL first team and a nomination for McDonald's All-America Team. The Eagles will be losing a lot of staring Seniors, but under the great coaching efforts of Jim Greer, next year's team should have a winning season.

This years Girls Basketball Team performed better than any L.H.S. team in the past. The girls seemed to be full of excitement and team spirit. Mr. Nelson, the girls' coach, helped lift the morale and spirit of the team. The team spirit made all the moves come together as the girls broke the school record. The team mainly consists of sophomores and juniors which should make next year an even hotter season.

Coach Nelson said he felt the team did a "super job and worked hard". The top scorer for the Eagles was Leanne Lyon with a 12.7 point average per game, and a top game of 24 points. Eva Toth was top rebounder for the team.

The Eagle wrestling team, with its inexperience, was expected to be in the cellar for the '77-'78 season but proved to be one of the strengths in the NPSL. With outstanding performances in the lower weights by senior Tom Rodriguez, sophomore Terry Mellott and freshman Isaac Rodriguez, the Eagles posted a 5-4 season record. One example of the wrestlers exciting season came in non-league action as the Eagles beat top rated Mount Si in the final fifteen seconds of the last match. From there the matmen went on to excel in many impressive victories. This years team was well represented in several weights at regional tournaments with many matmen advancing to state. With few graduating seniors and many talanted underclassmen, Head Coach Dave Oss has high hopes for a strong returning team and an exciting season in the following year.

Because of the lack of seniors this year, the gymnastic team should prove to excell even more in coming years. Special thanks goes to Miss Jacobs for her coaching and support with the team.

STROKERS

"This was our best year so far", stated John Wickstrom, coach of the Lindbergh Boys Swim team, "The team broke all of the school records and almost every swimmer set his personal best. We are also sending more swimmers to State this year than ever before." Tom Doyle, Ed Simons, Craig Beck, Mark Korvas, and Mike Ruckman head Lindbergh's State swimmers squad. This year the Boys Swim team was a young team with freshmen and sophomores compromising over three-fourths of the group. "Being such a young team we're a dangerous team" stated Craig Beck "we're able to give any team a challenge". A new diver was also added to the team this year, Mike Wilson, and performed well for a first year diver. Doyle continued to dominate the diving competition coming to within ten points of the school record and qualifing for State with 430 points in the regional diving meet. Ed Simons, team captain, summarized the year by saying "We had alot of young swimmers and with them came alot of enthusiasm and I think it made it our best year. We're only losing three swimmers to graduation so we'll be an even stronger team next year."

"Coach, are you really supposed to wear these goggles on your nose?"

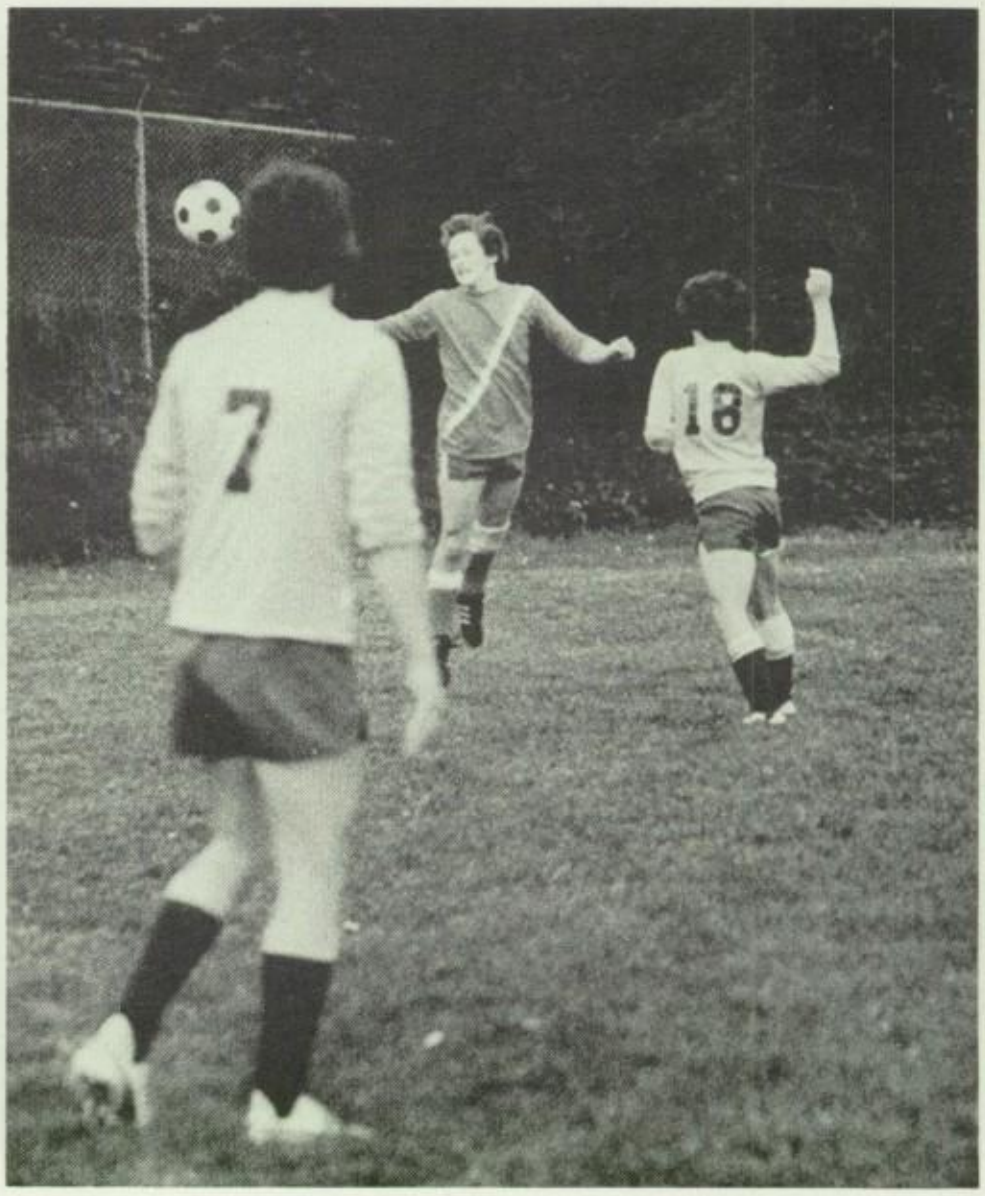
Led by seniors Paul Mackay, Dan Allison, Larry Pearson and Curt Schukar, the Eagles defeated last year's No. 1 team, Auburn, in an exciting game which placed them high in league standings. With the majority of the varsity members returning and the coaching of Mr. Tallarico and Mr. Schukar, next year's soccer team is bound to be a winner.



TENNIS '78

The '78 netters turned in a successful season, breaking previous records of 4-7 and 4-5. The Eagles only losses come from Kennedy and Kent-Meridian, the first and second place teams in the league. The final match, against Evergreen, with whom the Eagles are tied, promises to be an exciting one. Playing boys # 1 and# 2 singles were Guy Jang and Chris Blas. Mike Merritt and Keith Poore combined for boys doubles, while Tony Bentler and Shari Carnahan teamed up for mixed doubles. Stephanie Patnode and Marcia Revil joined for an effective girls doubles pair. And in girls singles, solid performances from Tanya Jang and Teresa Shrout aided the team throughout the season. Graduating players are Shari Carnahan, Guy Jang, Mike Merritt, and Keith Poore.

BASEBALL '78

The '78 season proved to be a tough one for the Eagles. Due to lack of hitting and a lot of rain the Eagles got off to a slow start, losing many close games. As the weather picked up and the season wore on, the Eagles began to soar with consecutive victories over Hazen and Renton, their biggest rivals. By the end of the season, the Eagles were playing great ball. Some of the standouts were: Dave Franceschina, Vic Murphy, and Curt McGuire (Seniors); Jay Riggleman and Curt Bjornstad (Juniors);and Jeff Fields, a very promising sophomore.

SOFTBALL ' 78

The second year Eagle Softball Team, led by Coach Carol Frederick, showed determination in the 1978 season. Though they won fewer games than they lost, the Eagle girls held all their opponents to close scores. The strong infield of Denise Krull, Myrna Jacobson, Robin Pearson, Jackie Shreve, and Kelley Koloen, backed up by a good outfield, defeated L.H.S. rival, Renton, 4-3. In another game, they surged from behind to beat Holy Names, 9-7. With many returning varsity players, the softball team has high hopes for a powerful 1979 season.

"I move around, being a student, and would like to order smaller amounts of personalized checks..."

— Shannon Fish

We'd be happy to fill a small order for you. In fact, with an ONB Combined Account you can get as few as 50 checks at a time, with your name and address printed on each one. And that's just one way your ONB account keeps up with you while you're in school.

The best part about an ONB Combined Account is that you get two accounts in one — checking and savings. And it's one of the most flexible accounts around. Just tell us how you'll be using your account, and we'll help you pick the checking plan that suits you best.

We'll even help you balance your checkbook on those occasions when the figures just don't seem to come out right.

Whatever your banking need, we'd sure like to meet you and talk about it.

Come by anytime.

Help us build your bank.
